Letter of Recognition

Dear **Mr. Ivan Djomegni**

On behalf of the Black Youth Mentorship and Leadership Program, it is with great pleasure that we recognize and thank you for your outstanding contribution as a project mentor in the 2025 Cohort of BYMLP held from July 2nd to August 8th.

Throughout this program, your dedication, guidance, and expertise have played a vital role in supporting and inspiring the next generation of leaders. In particular, your mentorship on the Black Youth in STEM: Empowerment Through Innovation Website project was invaluable in shaping the growth and learning of our participants.

Your willingness to share your time, knowledge, and lived experiences has left a lasting impact, not only on the mentees you worked with directly, but also on the broader goals of our program. Your contribution has helped us foster a supportive and empowering environment that truly reflects our commitment to growth, leadership, and community.

We extend our deepest gratitude for your efforts and recognize your completion of this mentorship program. Please accept this letter as a testament to your service, commitment, and the meaningful role you played in advancing our mission.

With appreciation,

Dr. Oluwabukola Salami, PhD
